

# Amazon Smile Bonus Donations

---

 [evergreenaudubon.org/amazon-smile-bonus-donations](http://evergreenaudubon.org/amazon-smile-bonus-donations)

Brad Andres

October 27, 2018

Many members have been shopping by computer during the last year or so, ordering through Amazon Smile and directing a small percentage of the total to Evergreen Audubon through Amazon's charity program. Thank you!

Did you know that you can shop from your phone, too? And, just as with your computer purchases, when you use the Amazon Smile app, Evergreen Audubon can receive a donation at no extra cost to you.

If you didn't realize we get donations via AmazonSmile... it's time you learned about it. When you shop at [smile.amazon.com](http://smile.amazon.com) instead of [amazon.com](http://amazon.com), the AmazonSmile Foundation donates 0.5% of the purchase price from eligible purchases to your favorite charity! Of course, we hope Evergreen Audubon is your favorite charity.

Once on the [smile.amazon.com](http://smile.amazon.com) website, you'll be asked to log in using your [amazon.com](http://amazon.com) account or create a new account. Then you'll be asked to select a charity; search for Evergreen Audubon... The Evergreen Naturalists Audubon Society Inc will come up; choose this as your charity. (The Evergreen Naturalist Audubon Society, or TENAS, was our original name.) If you have more than one favorite charity, no worries, you can change your charity at any time.

To set up Amazon Smile on your phone, download Amazon App and open it. Select the main menu (=) & tap on "AmazonSmile" within Programs & Features. Select "Evergreen Naturalists Audubon Society Inc" as your charity. Follow the on-screen instructions to activate AmazonSmile in the mobile app.

Thanks for your support!
