Believe it or not, it's time to start thinking about the holidays! If you need the perfect holiday gift, Evergreen Audubon has lovely and reasonably priced balsam fir wreaths for sale. They are fresh, very fragrant and will last into the New Year! They'll dress up your home and make ideal gifts for your family, friends, coworkers and clients—both in-town and out-of-town.

We're offering four 25-inch wreaths this year: the Classic, Victorian, Wintergreen, and Cranberry Splash. All of the wreaths are available as Holiday Gift Wreaths (HGW) for out-of-town delivery. They can all also be picked up when delivered at the end of November.

Orders are due no later than Sunday, October 28th. Prices are listed below.

Wreaths available for in-town pick-up:

- 25-inch Classic Wreath \$25
- 25-inch Victorian Wreath \$32
- 25-inch Wintergreen \$32
