

From the Director - July 2020

Webmaster July 7, 2020 :

July is a month full of excitement!

On July 9 we will be offering a brand new virtual program, The Art of Nature Journaling! This program is ideal for students ages 7 and up who enjoy nature and art. We will be learning how to use nature journals, the integrations of art and science, and focusing on new and different drawing techniques each week. If you have a budding young artist and nature lover, have them join us in our 6-week virtual program on Wednesdays from 1-2 pm.

Our Evergreen Nature Center opened on July 1. Things look a little different due to COVID, but we have many of the same exhibits you love as well as some exciting new ones.

YOU MUST HAVE AN APPOINTMENT TO VISIT THE NATURE CENTER. Admission is free and group sizes may be up to 8 people. We'll be adhering to social distancing guidelines and asking everyone to wear masks inside.

Visit our website today to make your reservation for the Nature Center, to sign up for socially distant guided nature walks or to register for our virtual classes! www.EvergreenAudubon.org
