

## Colorado Gives Day Continues to Grow

Despite the challenging times, Coloradoans again stepped up to support the state's nonprofit organizations. Throughout Colorado, donors raised more than \$50 million on Colorado Gives Day 2020, breaking all records and expectations. More than \$355 million has been donated to Colorado nonprofits through ColoradoGives.org since 2007.

Of course, supporters of Evergreen Audubon shared in this distinction. With donations made through ColoradoGives.org and other year-end giving, you set a giving record of \$15,032! Thanks so much for your enduring support of Evergreen Audubon's education programs.

Evergreen Audubon has participated in Colorado Gives Day since 2010 and has raised \$74,364 over those 11 years. Your donations in recent years are 4-5 times what they were in the early years of the program. On behalf of the Board of Directors, we truly appreciate your continued commitment to Evergreen Audubon.

Thanks and best for 2021,

Brad Andres
